Pop Art & stenciling workshop with Johnny Romeo

11:00am & 1:00pm

Johnny Romeo will play with small canvases, stencils, spray paint and symbols. You will learn how to stencil images onto the canvases and then create a story using related words and phrases. This collection of smaller canvases will come together to form one larger, diverse and multi-dimensional community work. Each work will be signed with each artists' initials, so that at the end of the day, people can take their work home!

Cartooning workshop with Eric Lobbecke

12:30pm & 2:30pm

Eric Lobbecke will conduct a workshop to enliven the cartoonist in all of us, from young and to the 'more mature'. The workshop will unleash the imagination and encourage the fun of drawing pictures that show wit and humour. You will learn classic drawing techniques and tricks that cartoonists use to get a printable result. Prepare yourself to draw fast and draw a lot!
